WALKATHON - Our major P&C Fundraiser for the year was our Walkathon which was held last Friday 13th October from 11.30am-12.30pm. The theme of the day was to come dressed as your favourite Sports person or Superhero. All students had a wonderful time with their friends getting involved in a number of activities, being outside and exercising and raising money for the school. Money is being collected daily by members of the P&C and for each \$10 being raised students receive a raffle ticket to go in the draw for one of ten \$20 vouchers.

A draw was held last Monday and the final draw will be held next Monday so there is still time to collect money raised from the Walkathon. As of last Friday we had raised \$5600 which was a tremendous result in a week. We are hoping to reach our target of \$10,000 which would be a fantastic result for our school.

The first five winners were:

Ben H 4R, Stevie H 4O, Josh C 4G, Oliver E 3/4P, Jacinta L 5O

Congratulations to these winners and to all the students who have brought in their money so far. Good luck in the draw next week.

ATHLETICS SUCCESS - Last week we had four students attend the NSW PSSA Athletics Championships at Homebush. They were Darcy F, Josaia D, Emily B and Lashantaye P. All students performed exceptionally well. Their results appear later in the LOG. Congratulations is extended to Lashantaye P who won her 100m and 200m events and will now represent NSW at the Pacific School Games in Adelaide later this year.

P&C MEETING - Our next P&C Meeting will be held on Monday 13th November at 7.30pm in the Library. At this meeting Miss Kelly will conduct a presentation on PBL (Positive Behaviour for Learning) which will be introduced in 2018. This program is aimed at our school being more consistent in our approach to discipline in the coming years. This is an area of concern for some parents as indicated by our recent Parent Satisfaction Survey. I encourage parents to attend this meeting to learn more about this program for our school.

PLANNING PROCESS FOR 2018 - The planning process is underway for 2018 and one of the first things I need to have is accurate student numbers for the commencement of the year. If you know you are leaving the school in 2018 and your child is not in Year 6 could you inform the office in person, by phone or email. Your co-operation with this matter is greatly appreciated.

SELECTIVE HIGH SCHOOLS FOR 2019 - A note was sent home to all Year 5 students last week about applications for Selective High Schools in 2019. An information package is available through the school. Please return the slip to request a package. All applications must be completed online. All students applying for a Selective High School placement will sit for a test on Thursday 15th March. All online applications must be completed by Monday 13th November.

SCHOOL DISCO - Our second Disco for the year is on tomorrow, Friday 27th October. Students from our school have a wonderful time at this event. The K-2 Disco commences at 5.30pm and concludes at 7.00pm while the 3-6 Disco starts at 7.30pm and finishes at 9.00pm. Please ensure that all students are picked up from the hall at the conclusion of the Disco. I am sure it will be a great night.

Principal

MAKE-A-WISH FOUNDATION - Next week (week 4) we will be having a 5c and 10c fundraiser for the Make-A-Wish Foundation. The Make-A-Wish Foundation has granted over 8,000 wishes since 1985 to children with life threatening illnesses and since 2002 over 570 wishes have been granted in the Western Sydney area.

Make-A-Wish give very sick children and teenagers hope for the future, strength to face the challenges of their illness and joy from their wish experience.

If you would like to donate to this incredible Foundation please put your 5c and 10c coins in a zip lock bag or container and give to your teachers who will then deliver the money to 6 Blue. The SRC will be filling a jar with the money you donate and giving it to the Make-A-Wish Foundation.

SunSmart Snippet

The simplest way

...to be a good role model!

Did you know?
 Researchers, parents and teachers know that children imitate adult behaviour. That's why role modelling sun protection is so important!

How you can be a role model:

- **Slip** on clothing which covers as much skin as possible.
- **Slop** on 30+ broad-spectrum, water-resistant sunscreen.
- **Slap** on a broad brimmed, legionnaires or bucket hat.
- **Slide** on some wrap-around sunglasses.
- **Seek** shade when outdoors.

Don't forget – when the UV reaches 3, we protect against UV! You and your kids can check the UV level together by downloading the SunSmart app!

Set a positive example and your kids will follow your lead!

NEW Junior Band 2018

Following the outstanding success of our current Junior Band this year, we are excited to announce our recruitment process for a new Junior Band to start in 2018 for any interested students from years 2 & 3.

TRY NIGHT & INFORMATION ~ Thursday 2 November, 6:30pm in the Library

The 'TRY NIGHT' is the only opportunity that interested students have to be able to try out the instruments that they are interested in. We have tutors and instruments on hand to help guide students and parents towards selecting the right instruments.

This evening is highly informative and is a crucial component in our selection process for Junior Band 2018, and as such is compulsory. Please put this date on your calendar now and plan to be there!

Supporting families as they manage separation and divorce

In Australia nearly one in two marriages end in separation and divorce. This directly impacts many children in our schools and adults in our workplaces. Coping with the family changes that result can be challenging for children and their parents, and for those supporting the family including relatives, friends, work colleagues and school staff. Some knowledge and understanding of what children and young people are dealing with can help us to provide the right kinds of support, when and where it is needed.

00

Reactions of children and young people

Children's reactions to separation and divorce are unique and varied. They depend on the child's age, personality, previous experiences, support networks, and on how well their parents are managing. Some thoughts about how some primary aged young people may react are shared below as a general guide only.

Children in the primary school years may...

- understand more about what separation and divorce means in their family but they may hold unrealistic fears about the future,
- blame themselves for family changes,
- experience physical symptoms, eg, nausea, headaches, tiredness,
- show feelings in a range of ways-being 'over' co-operative and agreeable to being angry and lashing out.

How can other significant adults help?

At KLPS we are offering a very successful evidence based program called "Seasons For Growth" in a small group setting for children in Year 2, facilitated by our school Chaplain, Simone Brown. For each of the children in the peer group they have the opportunity to learn new skills to cope effectively with change and loss. The program focuses on developing strengths in a child's self-esteem, managing feelings, problem-solving, decision-making, communication and building support networks.

The program activities promote discussions about each of the four seasons of the year and how change is a part of life. Each student understands they are not the only one going through difficult changes in their lives.

If your family is going through significant changes then a visit to The Kids Helpline website can help children and young people allay fears and provide facts and ideas on coping.
