

KINGS LANGLEY PUBLIC SCHOOL

ENDEAVOUR TO BE A RESPECTFUL, RESILIENT LEARNER

19<sup>th</sup> of March, 2021

## 'Seesaw' Digital App

Dear Parents/Carers,

This year, Kindergarten will be using the app Seesaw within our classrooms. Seesaw is a digital multimedia portfolio that empowers students to share and celebrate what they are learning at school.

We believe that your child's educational journey is dependent upon a strong partnership between home and school. Therefore, we are very much looking forward to being able to share updates on your child's learning at school, as well as instructional videos on how to best support your child at home.

Please read your child's note titled 'Home Learning Code' on how to become a part of your child's class. Our Seesaw classes are designed in our hubs, so you will either be a part of Kindergarten Green/Orange class or the Kindergarten Yellow/Blue class.

We would like Seesaw to be utilised to connect our home and school environments so please contact us through the app if you have any general messages or questions. If you have any sensitive concerns about your child's social and emotional wellbeing, or their learning needs please follow the normal school procedure of calling the school office to make an appointment to see your child's class teacher.

A clear and concise instructional video is included below, please scan the QR code to watch.

We look forward to sharing this platform with you and giving you a real insight into the learning that is occurring in our classrooms.

Thank you,  
Mrs Laura Young  
Seesaw Coordinator

Principal: Mr Chris Lambert Admin Manager: Mrs Debbie Green
