

KINGS LANGLEY PUBLIC SCHOOL

ENDEAVOUR TO BE A RESPECTFUL, RESILIENT LEARNER

15th February 2021

Dear Parents,

Today we are sending you information regarding P&C membership and the voluntary contribution, as well as other school related costs.

There are a number of items for payment for each grade including full access to Reading Eggs, Mathletics and Soundwaves computer programs for all students K-6 which will be used in class and at home. An additional \$15 per student is included to help cover the significant cost of photocopying paper and craft equipment.

During the year there will be other activities that will require payment such as excursions, PSSA, photos and fund raising events. Notes will be sent home closer to each event with all the relevant information, including payment details and permission slips. Copies of notes will also be available on the school website. Please check the school website regularly to keep up-to-date with all school activities.

The P&C Association has included a letter regarding how they use the money they receive from the voluntary contribution and about the benefits of becoming a member of the P&C.

It would be greatly appreciated if this could be paid by Friday 26th March, 2021.

Payment can be made by cash, cheque, EFTPOS or direct deposit. Please place payment, and attached paperwork, in the envelope provided and return it to the red box located in the office foyer.

Thank you for supporting our school.

Chris Lambert

Principal

Principal: Mr Chris Lambert Admin Manager: Mrs Debbie Green

Kings Langley P&C Association

Parents and Citizens (P&C) Contributions 2021

To support the P&C fundraising activities we ask for contributions from each family. In previous years, your contributions have enabled the P&C Association to support our school in purchasing valuable resources for students, such as air conditioners, all-weather shelters, library resources, iPads and laptops, as well as subsidising extra learning support teachers, incursions, school events, musical instruments and sporting teams.

The P&C has a **suggested contribution of \$50 per family**, although you can contribute more or less if you wish. All contributions are gratefully received, and go entirely to supporting the school.

P&C Membership 2021

All parents and carers of children at Kings Langley Public School are welcome and encouraged to attend the monthly P&C meetings. However, only current financial members may vote or stand for office in the P&C. P&C membership is **only \$1** and allows you to have a say in the running of the P&C. Members agree to follow the Constitution, by-laws and Code of Conduct of the P&C Association.

Please complete the below form and return to the school office. Up to two members may join using one form.
